Mexico Trip...

Anyone and everyone who thinks they might be interested in going to Mexico, please meet in Room 109 immediately following the February 3rd morning worship service. We have information on passports, dates, costs and fundraisers (to help off-set costs).

One important matter is, we have found airline tickets for a really good price, but we have to know who is serious about going. So if you have even considered going, we hope you will plan to meet with us and check out the possibilities.

We Gratefully Acknowledge Contributions made to Our Building by Faith fund in loving memory of:

"Lest We Forget"

This is a reminder that we all need to be faithful in our giving to **Building By Faith**.

We had a great year end giving in this area but we must keep it up. Thank you to all who have made commitments to BBF.

However, we still need more of our Calera family members to join in to help pay for our fabulous facility. If you are a new member or an old timer see Roy Hadaway or Bro. Hal and they can tell you how you can make a commitment to give to BBF. Remember

"We are all in this together".

Thank You

Dear church family...

that I love SO very much,

My heart is so full! The endless love you all showed to me and my family today was indescribably awesome! I know without a doubt the choir came straight from heaven. The voices truly lifted up our Lord in praise and Thanksgiving! I know our Father was touched seeing everyone giving it their all!

Calera Baptist Church has always had the "BEST" musicians around and I honestly believe that now and always have. The love offering is very appreciated and I know God would be proud of all of you in again giving to His kingdom on earth by using the love offering for our technology advancement for the choir I treasure so much!

May God go before us in all we do! I love you so very, very, much and thank you for my SPECIAL Day! Everyone needs a party! Love you all! Debbie Horton
