## *Where Can I Serve?*

There are many people in the church that want to serve somewhere, but they just don't know a specific place. The interesting thing is, people find it easier to tell you what they don't want to do than what they will do.

I don't think finding a place to serve in the local church is as difficult as folks often make it seem. My philosophy for my own self has always been to find a need and meet it.

That means over the years I have done everything from teaching a Sunday School class to mopping floors, to cleaning bathrooms. I even kept a group of about 25 rowdy children while a singing was going on in the church of which I was pastor.

I think Solomon had it right in Ecclesiastes 9:10—"Whatever your hand finds to do, do it with your might."

There are lots of areas to serve at Calera Baptist. Many needs are here to be met. You can ask the Nursery Team or our Sunday School Director, June Hadaway, or Building and Grounds Chairman, Cary Rhodes or any number of other leaders.

There are empty seats in the choir some of you could fill. There are needs in our "Lite Nite" on October 31, Upward or AWANA.

The needs are there if we are willing to take a risk and "do it with all your might."

Serving together with you,  
Hal

Mrs. Olga Martin thanks everyone for their prayers and concern. She also thanks Betty and the kitchen staff and others who brought food. She asks you to continue praying for her speedy recovery.

*Our Christian sympathies are extended to Avery Hurt in the loss of his sister, Betty Jean Dowdy., and to Martha Lockhart in the loss of her sister-in-law, Rogene Jackson.*
